

TAPAS & TEMPRANILLO

A Spanish Match Reaching New Heights in Argentina

The Spanish grape Tempranillo has found a great home in the Argentine *terroir* of La Consulta, where the altitude, climate and soil create Tempranillos with great structure and food-friendly acidity.

The AltoCEDRO Año Cero's Tempranillo's lush fruit and spices create a perfect pairing with your tapas. The wine received 90 points from Wine Advocate ('09).
