FORMATION
MONTEREY

Chardonnay

Crafted to express the ancient origins of the geologic formations of Monterey, California

2013

FORMATION
MONTEREY

Chardonnay

The geologic formations of the Monterey region were formed many millions of years ago. The ancient marine layers and alluvial soils are a result of the primordial sea and shallow coral beds over oceanic volcanic crust. Deliciously expressing their origin, the wines of Formation exhibit deep aromas, balance and structure.

Government Warning: (1) According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects. (2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery, and may cause health problems. Contains sulfites.
