

## EXCITING NEW DEVELOPMENTS FOR TAPIZ

We are excited to announce that Jean Claude Berrouet is now consulting winemaker for Tapiz. Jean Claude was chief winemaker at Petrus for 44 vintages; he retired and continues as a consultant for Petrus. Tapiz is proud to have Jean Claude as a consultant with exclusivity for Argentina. The addition of Jean Claude will further our mission of creating world-class terroir-driven wines.

### **NEW TAPIZ "ALTA COLLECTION" WINES**

After ten vintages, Tapiz has established itself as one of Argentina's most renowned wineries. The wines are well-received in the United States with national distribution. In 2012 they garnered a Top 100 Best Buy from Wine Enthusiast; according to Restaurant Wine, "Tapiz is a very consistent producer of excellent wines." To celebrate the addition of Jean Claude Berrouet, Tapiz is releasing a new "Alta Collection" line of wines in 2013 that include a Malbec, Cabernet Sauvignon, Chardonnay, and Malbec Rosé.

The "Alta Collection" fruit comes from Tapiz's sustainably-farmed estate vineyards in Uco Valley, Mendoza. Chief winemaker Fabian Valenzuela and Jean Claude work together to create a beautiful tapiz (tapestry) between the wine's intense, high-altitude fruit and its oak aging. These full-bodied wines have the acidity and complexity to drink on their own or complement food. Two legendary winemakers creating four historic wines.
