

ZOLO

Various Regions, Mendoza, Argentina

The Most Awarded Brand in Argentina

-2010 Viñas, Bodegas & Vinos de Argentina

Zolo is produced at one of the most technologically advanced wineries in Argentina. Zolo selects grapes from estate vineyards throughout the different key regions of Mendoza. Located at various altitudes, each of these *terroirs* provides a different expression of fruit and varietal concentration. The winemaker is Fabian Valenzuela, the vineyard manager is Carlos Correas, and the owners are the Ortiz family.

The purpose of the winery's Zolo classic line is to create a family of fruit-forward, great value wines, which can be enjoyed with a wide range of food or by themselves. The Zolo Reserves, with their ultra-high concentration, long ageing in new French oak, and aromatic complexity are made for those special occasions when one needs a wine to "blow your hat off."
